

# Mastering the material, test yourself

Where do you see yourself right now?

- a. I feel like testing what I learned in practice and I have the skills to do it.
- b. I feel like testing what I learned in practice, but I am not sure I can.
- c. The teacher went through it, but I cannot see how I can use it.

If you answer a:

- Where and how can you use it?

If you answer b or c:

- What will it take to increase your willingness to test it?
- Who or what might help you?
